

INNOVATE for a Safer World Join Hytera at MWC25 in Barcelona

03-06 Mar | Booth No. 6G44

INVITATION

Dear Sir/Madam,

We are delighted to invite you to attend **MWC25, taking place from 3rd to 6th March 2025 at Fira Gran Via, Barcelona, Spain.** As one of the most prestigious global events for the mobile and telecommunications industry, MWC25 brings together leading innovators in mobile technology, 5G, IoT, AI, and beyond.

We are thrilled to announce the **world premiere of the Mission Critical Ruggedized Device PNC660** at MWC25. We warmly invite you to visit the **Hytera booth #6G44** to experience this groundbreaking device firsthand. If you are unable to join us in person, you are welcome to participate in our **webinar featuring the PNC660**, which will be held during MWC25.

At Hytera Booth, we will proudly showcase our comprehensive Broadband Communication Solutions, designed to empower industries with scalable capacity, exceptional reliability, and innovative LTE Radio Access Network products.

You will also have the opportunity to explore our cutting-edge MCX Communication Solution, meticulously developed in compliance with 3GPP mission-critical standards. Experience HyTalk MC 6.0, the latest evolution of Hytera's MCX solution, packed with innovative features to enhance mission-critical operations.

Additionally, we will present our new Body Camera & DEM Solution, featuring advanced Smart 4G/5G Body Cameras, docking stations, and a sophisticated Digital Evidence Management (DEM) system.

We look forward to welcoming you to our booth and sharing these exciting innovations with you.

Hytera Communications Corporation Limited
